

Octopus - Sighting

Observation Protocol

Date

Time

Where have you seen the octopus?

Please provide coordinates, mark it on a map or give detailed descriptions

Water depth and environment

e.g. sandy bottom, rocks, seagrass

What was the octopus doing?

e.g. sleeping, feeding, swimming

Did the octopus still have all its arms or was something missing?

**Your name
(or a pseudonym)**

Consent to the Use of Your Photos/Videos and Accompanying Data

In order for us to use your photos, videos, and observation data for our project, we need your explicit consent.

What's it about?

You are the creator of the photos/videos and data you share with us. With your consent, you allow us to use this content under the Creative Commons License CC BY 4.0. This means your material may be shared and adapted, but your name must always be credited so that you are recognized as the original creator.

 License details: <https://creativecommons.org/licenses/by/4.0/>

By giving your consent, you allow us to:

- ☒ Use your content for research, education, and public outreach within the Octopus Intelligence project
- ☒ Store the data for up to 10 years in a digital archive (repository)
- ☒ Credit your real name or – if you prefer – a pseudonym

Your data will, of course, be processed in accordance with our privacy policy:
<https://www.octopus-intelligence.org/datenschutz.html>

Your decision:

☐

Yes, I agree to the use of my photos/videos and data.

My name or pseudonym:

☐

No, I do not want my photos/videos and data to be used.

If you change your mind later, feel free to contact us anytime:
